

# KinderConnect 2.8.2.0.0 Release Notes

## 1. Look and Feel

The new release will include a new modern look and feel. This applies to all pages including the Login page. The functionality, however, remains the same throughout the system.

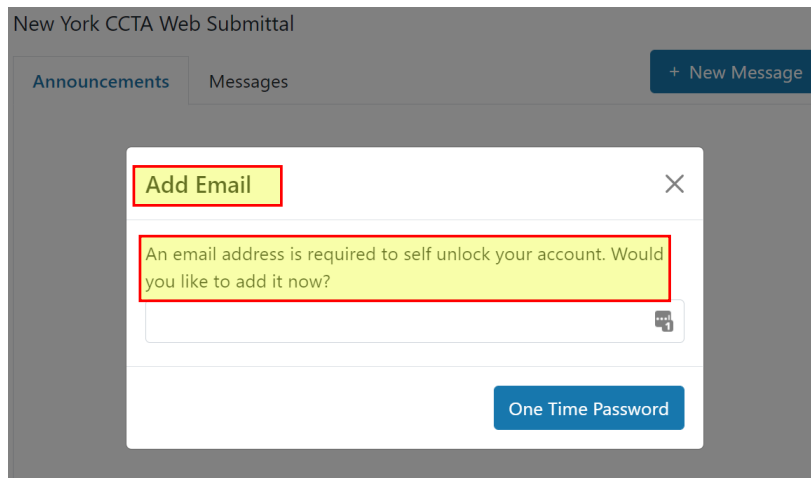

New York CCTA Web Submittal

The screenshot shows the login page for the New York CCTA Web Submittal system. At the top, it says "Sign in to your account". Below this, there is a link "Don't have an account? [Sign Up](#)". There are two input fields: "Username" and "Password", each with a small icon on the right side. Below the password field is a blue "Sign In" button. At the bottom, there is a link "Forgot password?".

## 2. One-Time Email Prompt / Self-Unlock Account

We have implemented a new, secure, self unlock feature. When logging in, if there is no e-mail address associated with your account you will be prompted to enter an email address. Enter your email address within the prompt box, or you can close the box by clicking on the X and add it later.

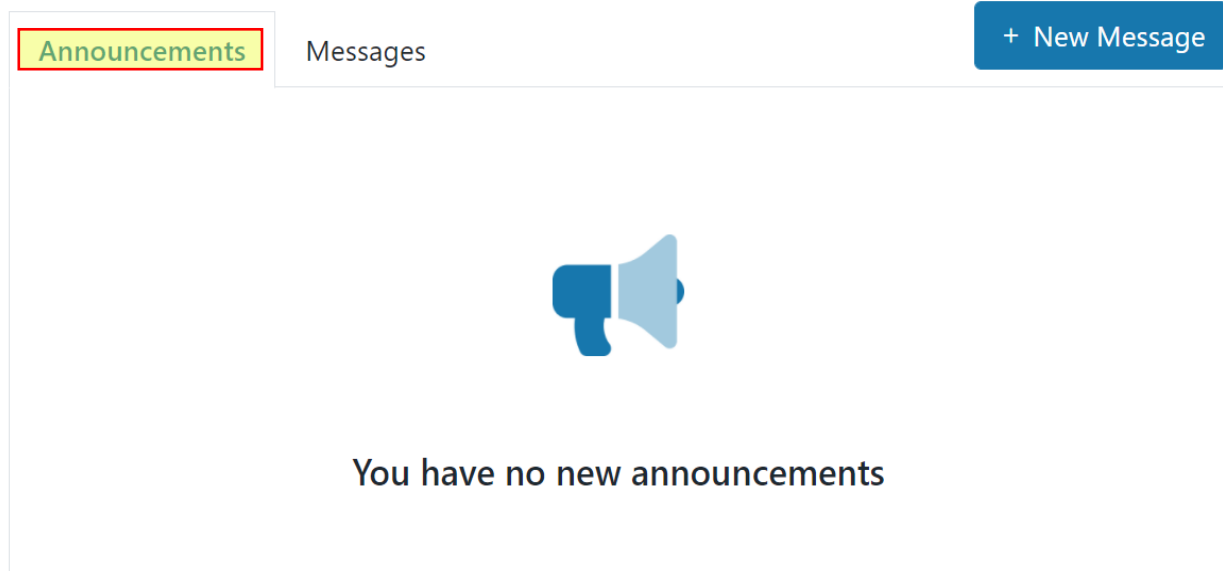

The screenshot shows a modal dialog box titled "Add Email" with a close button (X) in the top right corner. The dialog contains the text: "An email address is required to self unlock your account. Would you like to add it now?". Below the text is an input field with a small icon on the right side. At the bottom right of the dialog is a blue button labeled "One Time Password".

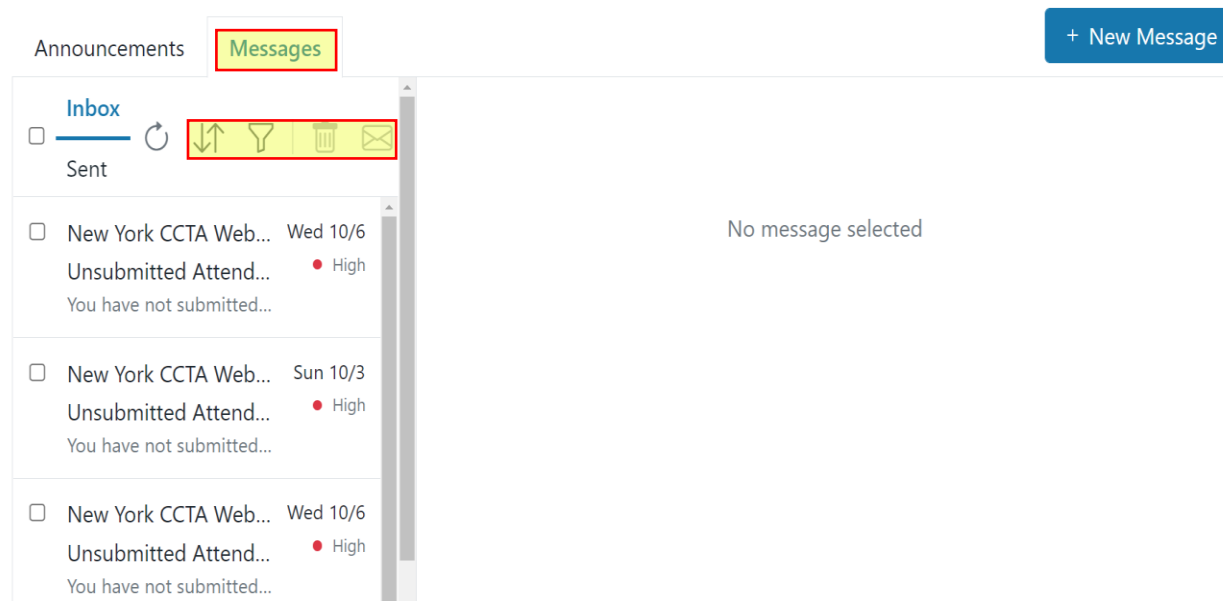

### 3. Home Screen / Message Center

The new Home screen includes two tabs, the “Announcements” tab (which is the same from the previous release), along with a new “Messages” tab. This messages tab displays the same Message Center that is accessible through the envelope  icon. The Message Center’s look and feel has also been revamped to display a modern format which looks like a normal email inbox, making it easier for providers to manage their messages and to send new ones.

New York CCTA Web Submittal

This screenshot shows the "Announcements" tab selected. The interface includes a "Messages" tab, a "+ New Message" button, and a central area with a megaphone icon and the text "You have no new announcements".

This screenshot shows the "Messages" tab selected. The interface includes an "Announcements" tab, a "+ New Message" button, and a list of messages. The message list is highlighted with a red box, showing the following details:

Message Title	Date	Priority
New York CCTA Web... Unsubmitted Attend... You have not submitted...	Wed 10/6	High
New York CCTA Web... Unsubmitted Attend... You have not submitted...	Sun 10/3	High
New York CCTA Web... Unsubmitted Attend... You have not submitted...	Wed 10/6	High

The central area displays "No message selected".

#### 4. Attendance > Detail Page

A few changes have been made to this page to allow more functionality and ease of use. These changes include the following:

##### a. Adding Time Cells

The new release allows providers to add more time cells/pairs when needed.

Child Name	Monday 2/14	Tuesday 2/15	Wednesday 2/16	Thursday 2/17

##### b. Searching for Child/ren and Sorting by Name

The users are now able to also search for the child/ren and sort them by name, as opposed to just selecting an alphabet in the previous version.

Child Name	Monday 2/14	Tuesday 2/15	Wednesday 2/16	Thursday 2/17	Friday 2/18	Saturday 2/19
[Redacted] Date of Birth: [Redacted] Case Number: [Redacted] Child: [Redacted]	In: <input type="text"/> Out: <input type="text"/> + Time Cells Daily Hours: 0:00	In: <input type="text"/> Out: <input type="text"/> + Time Cells Daily Hours: 0:00	In: <input type="text"/> Out: <input type="text"/> + Time Cells Daily Hours: 0:00	In: <input type="text"/> Out: <input type="text"/> + Time Cells Daily Hours: 0:00	Sched: Varying: NonSchool (48:00)	Sched: Varying: NonSchool (48:00)

##### c. Professional Days

This button is reserved for a future release. The button currently does not modify any attendance. If your program is closed for a day/period of time, please continue to select Program Closure from the Absent dropdown.
